EXPERIENCE - 4 YEARS

UI/UX Designer, Kaizen Que

September 2025 - Present

- Designed and developed high-performing law firm websites, delivering a seamless, trustworthy, and client-focused user experience.
- Designed end-to-end UI/UX for blog websites, from initial wireframes to polished high-fidelity prototypes.
- Successfully worked on and shipped 10+ live projects, ensuring quality, usability, and business alignment.
- Collaborated closely with development teams to align user needs with business goals.

Senior Product Designer, Homora

January 2025 - May 2025

- Designed and developed a full-featured online store web app, ensuring a seamless and engaging user experience.
- Led end-to-end UI/UX design for client websites, from wireframes to high-fidelity prototypes.
- Implemented responsive front-end interfaces using HTML, CSS, and JavaScript.
- Collaborated closely with development teams to align user needs with business goals.

UI/UX Consultant, Katzion

May 2022 - September 2024

- Collaborated with automotive brands like Audi Australia, Skoda, and Volkswagen Australia to design user interfaces and mobile-friendly experiences.
- Applied UX processes such as user research, wireframing, prototyping, and usability testing to create seamless user experiences.

Associate UI/UX Consultant | UI/UX Intern

- Contributed to the Audi Australia project, designing intuitive and engaging user interfaces tailored to the brand's standards.
- Established and maintained component repositories to ensure consistency and efficient reuse across projects.

SELECTED WORK

VitacoreNexus HMS Hospital & clinic management system: five role-built portals sharing one consent-audited record, offline-first, aligned with India's ABDM/ABHA health-ID standards.

QueWorkspace Live coworking-space platform in Bengaluru: marketing site, member dashboard, and admin console, running the floor day to day.

VW Track My Vehicle Live vessel-tracking experience for Volkswagen Australia, replacing post-purchase silence with real-time shipment status.

FunnelFox 360 Multi-dashboard CRM unifying lead sources, campaign analytics, and sales workflows for high-volume sales teams.

Luna Period & wellness tracking app built around a 25-step conversational onboarding flow.
